PROCESIO Marketplace Disclaimer

Disclaimer

Version: 1.0 **Effective Date:** 2026-01-19 **Last Updated:** 2026-01-19

The **PROCESIO Library**, also referred to as the **"Marketplace"**, is a platform operated by PROCESIO that enables users to publish, share, and use automations, workflows, processes, integrations, scripts, and related materials ("Marketplace Content").

Important User Notice – Please Read Carefully

Marketplace Content may perform powerful actions, including but not limited to:

- modifying or deleting data
- interacting with databases and external systems
- triggering APIs, emails, or financial transactions
- accessing third-party services using user-provided credentials

By importing, installing, configuring, or executing any Marketplace Content, you acknowledge and agree that:

- you are solely responsible for reviewing and understanding the automation
- you must test automations in non-production environments before live use
- you are responsible for maintaining backups of your data and systems
- you are responsible for configuring credentials, permissions, and access controls

If you do not agree with these conditions, **do not use the PROCESIO Library**.

"AS IS" and No Warranty

All Marketplace Content, whether **verified or unverified**, is provided **"AS IS" and "AS AVAILABLE"**, without warranties of any kind, express or implied, including but not limited to:

- merchantability
- fitness for a particular purpose
- accuracy, correctness, or completeness
- security or non-infringement
- uninterrupted or error-free operation

Use of Marketplace Content is **entirely at your own risk**.

Verified Content Disclaimer

Some Marketplace Content may be marked as **"Verified"**. Verification means that the content has undergone a **limited technical review by PROCESIO at a specific point in time**.

Verification:

- does not constitute a guarantee, endorsement, or certification
- does not ensure security, correctness, legality, or suitability
- does not prevent future defects or vulnerabilities
- may be revoked at any time without notice

Verification does **not** create any warranty or liability.

No Liability

To the maximum extent permitted by applicable law, PROCESIO shall not be liable for any damages arising from or related to Marketplace Content, including but not limited to:

- data loss or corruption
- business interruption
- financial or economic loss
- security incidents or breaches
- compliance or regulatory violations

This limitation applies **even if PROCESIO has reviewed, verified, or hosted the content**.

Third-Party Systems

Marketplace Content may interact with third-party systems or services. PROCESIO does not control and is not responsible for:

- third-party availability, security, or behavior
- data processing performed by third parties
- failures caused by external systems

Acceptance

Use of the PROCESIO Library constitutes acknowledgment of this Disclaimer.
